Material Information

Aluminum

Aluminum is available in .050 guage. It is sold in a coil form 24" wide and is available from 1 l.f. to 6300 l.f.

Steel

Steel is available in guages from 22-30 (26 ga. is common in stock). The higher the number the thinner the material. It is sold in a sheet form and is available as 4'x10' sheets (stock) and 4'x8' sheets (special order)

PVC Coated Steel

PVC Coated Steel is available in 26 guage. The pvc coating is 8 mil. thick and is very durable and does not fade like polyester finishes. It is sold in coil form 13.25" wide.
